Sir:

INTERVIEW SUMMARY (Resubmission)

In response to the Examiner's Interview Summary dated November 27, 2006, for a telephonic interview held on November 10, 2006, Applicants respectfully resubmit this summary in fulfillment of the requirements under 36 CFR §1.133 and MPEP §713.04, and as a supplement to Applicants' previously-supplied Interview Summary dated November 10, 2006.

The undersigned attorney spoke with Examiner Hong on November 10, 2006 in a telephonic interview, as noted in Applicants' prior response submitted later that same day. During the interview the undersigned attorney noted distinctions believed to be present in the previously amended claims. No agreement was reached relative to patentability, but the Examiner requested that a response setting forth the distinctions, as discussed, be submitted for further consideration.

Applicants filed, that same day, an Amendment & Response After Final, and the Examiner has since issued a non-final Office Action dated December 5, 2006, in which the prior rejection was withdrawn. The instant interview summary is being resubmitted in response to the Examiner's Interview Summary dated November 27, 2006, which did not specifically indicate that no further response was required from Applicant.

In the event that additional fees are required as a result of this response, including fees for extensions of time, such fees should be charged to USPTO Deposit Account No. 50-2737 for Basch & Nickerson LLP.

In the event the Examiner considers personal contact advantageous to the timely disposition of this case, the Examiner is hereby authorized to call Applicant's attorney, Duane C. Basch, at Telephone Number (585) 899-3970, Penfield, New York.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'D. Basch', written over the typed name.
